

Infection Control Reading

You are required to read the following:

College of Physiotherapist of Ontario: Infection Control and Equipment Maintenance Standard:

<https://collegept.org/standard/infection-control-standard/>

*Download and review the Standard. Please also review the listed resources.

After reading this very important document, please **sign below and submit to Clinical Placement coordinator rss.ptclined@utoronto.ca by September 1, 2026.**

Declaration: I have read the 'Infection Control and Equipment Maintenance Standard'.
